

## ***International Renewable Energy Conference in Bihar***

---

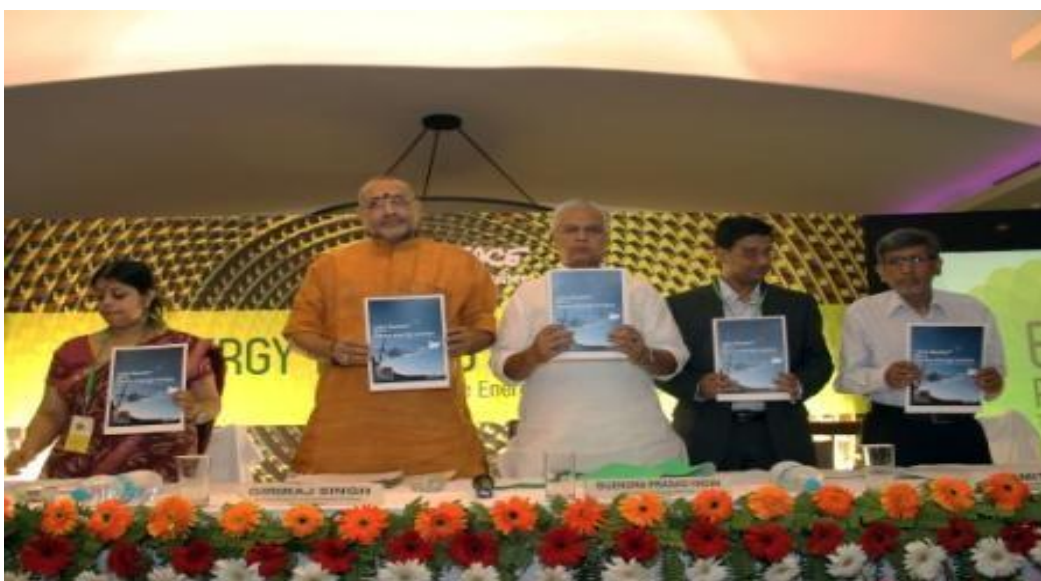

*Set in backdrop of year 2012, declared as the year for sustainable energy, by United Nations (UN), the international Renewable Energy business conference brought the global perspectives on driving investment and various other frameworks for development of decentralised renewable energy and energy access model in the country.*

***Greenpeace organised the International Renewable Energy Business Conference, “Energy [R]evolution Bihar” on May 15, 2012 in Hotel Maurya, Patna.***

*The conference witnessed active involvement of prominent Indian and international delegates from financial institutions, renewable energy developers, policy think-tanks, investors, bilateral agencies, industry associations, and civil society representatives.*

*(L-R) Greenpeace India Campaign Director Divya Raghunandan, Shri Giriraj Singh, Minister of Fisheries of Bihar, Shri Brijendra Prasad Yadav , Minister of Energy of Bihar, Samit Aich, Executive Director, Greenpeace India, and Dr Shaibal Gupta, member of the Finance Commission, Government of Bihar, at the “Energy Revolution Bihar- The Renewable Energy Way” conference, organised by Greenpeace India at Bihar.*
